

## Pitching Commitment Letter

**Dear Player and Parents,**

Thank you for your interest in the North Shore Girls Softball League ("NSGSL") Pitching Program. The recreational portion of our season is about instruction, learning the rules of the game, and opportunities for every girl to play multiple positions while having fun. Pitchers are the foundation of the league and NSGSL is committed to developing pitchers. As such, we have established a Pitching Program to advance the skills of interested players through league subsidized private pitching lessons for players willing to make the commitment of developing their pitching skills.

### **Pitching Program**

NSGSL has negotiated with professional pitching instructors at a reduced rate. Player's participating in the program will receive four (4), thirty (30) minute lessons over a course of four (4) weeks. NSGSL Representative will match Approved Coaches with participants. Every effort will be made to satisfy specific requests. The copayment to the player's parents is \$10.00 with NSGSL subsidizing the remaining balance. Parents will pay the Coach \$10.00 prior to each session and NSGSL will be billed for the balance. Parents and Coaches will work together on developing a schedule and plan for each player.

Parents are required to cancel any lesson they cannot make within 24 hours prior to scheduled time. Failure to do so will result in a \$20 cancellation fee.

### **Qualifications**

Player and parents must commit to taking one (1) thirty (30) minute lesson per week for four (4) consecutive weeks and practice pitching at least twice (2) a week for thirty (30) minutes each session without the instructor. Pitcher must provide a catcher during lessons. Pitching requires repetition and practice and NSGSL is looking for players who are motivated! Player and parents will be required to complete attachment A weekly and submit to the Coach. Failure to do so may terminate you from the Pitching Program.

### **Approved Coaches**

Brianne Morales  
Jenny Schafran  
Jon Bulatao  
Other - TBD

**NSGSL Representative**

NSGSL would like to remind our parents and players that participation in the Pitching Program is a privilege that requires a COMMITMENT. Your daughters are being exposed to the highest level of softball instruction and as such NSGSL is asking for an earnest commitment from them to work hard and put forth extra effort to develop their pitching skills.

Please sign below to commit to the Pitching Program described above.

See you on the field!
